COLLECTION AND ASSIGNMENT LAWS IN QUEBEC.

(Compiled by Messrs. Brosseau, Lajoie & Lacoste, Advocates, Montreal, Que)

Assignments.—Any creditor for \$200 and over, whose claim is unsecured, may make a demand on a debtor to make an assignment or abandonment. If debtor who has ceased his payments refuses to abandon or assign his property he may be compelled to do so by a writ of *capias*. The assignment is made to a curator appointed by the court, on advice of a meeting of creditors on the vote of the majority in number and value. The curator or trustee realizes assets, and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

Attachments.—Attachments before judgment issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

Chattel Mortgages.—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

Commissions.—Commissions for the taking of evidence outside the Province of Quebec may issue from the Circuit Court and Superior Court.

Conditional Sales.—The courts recognize and protect contracts, whereby the thing sold remains the property of the unpaid vendor, until all instalments of the sale price have been paid. This applies to contracts in use with regard to the sale of machinery, sewing machines, pianos and other articles of that kind on time, with payments by instalments. In cases arising out of such contracts, the courts here have held that the vendor had a right, on the failure of the person to whom the article was sold, to recover back his machine or article, or whatever it may be, against the claims of the creditors of the purchaser.

Contracts of Married Women.—A wife who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them. A wife cannot bind herself by note or otherwise to pay her husband's debts.

Execution.—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. But where the judgment is entered for goods sold and delivered or upon promissory notes, &c., the execution may issue eight days after judgment. Execution can only be stayed by opposition of defendant, supported by affidavit which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months.

Exemptions.—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles, not to exceed

\$50 in value. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for three months; one cow, four sheep, two hogs and food therefor for thirty days; tools and implements of, or chattels ordinarily used in debtor's occupation, not to exceed \$200 in value; a homestead in certain cases.

Holidays.—Sundays, New Year's Day, Epiphany, Ash Wednesday, Good Friday, Easter Monday, Ascension, All Saints, Conception, Christmas, the Birthday of the Sovereign, and 1st of July, and any day fixed by the Governor-General or Lieut.-Governor as a public holiday, as a day of general fast or thanksgiving, or as a labor day, are legal holidays. Negotiable paper falling due on those days or on a Sunday are due only the day after and must be protested then.

Interest.—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 5 per cent.

Judgments.—Judgments may be obtained at any time in default cases, but if the defendant appears by attorney, judgment cannot be entered between July 1st and August 31st: but in commercial matters like notes or open accounts, defendant must file a plea or an affidavit that he has a serious defence. Judgments may be obtained where no defence interposed in eight or nine days, and in both courts one extra day must be allowed for every fifty miles that defendant lives from the place where the court is held, over and above the first fifty miles. Special provisions relating to actions based upon commercial contracts, are designed to expedite the trial and judgment therein. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

Jurisdiction of Courts.—Circuit Court up to \$100; Superior Court, all amounts above \$100; notes and accounts are outlawed in five years.

Licenses.—Commercial travelers are not required to take out a license.

Mechanics' Liens.—The only thing of this kind we have in the Province of Quebec is the builder's privilege, under which the laborer, workman, architect and builder may exercise a privilege upon the real estate property improved by their work. The privilege exists in favor of the laborer, workman and builder during the whole time they are occupied at the work without registration, and with registration provided it be registered within thirty days after the completion or cessation of the work. The architect and builder must inform the proprietor of the immovables of the contracts they have made with the chief contractor within eight days from the signing thereof. Suits against the proprietor in such cases must be entered within one year after the privilege has been registered.

Verification of Accounts.—No verification is wanted; accounts and claims must be proved out of mouth of defendant or by witnesses examined in court or under commission if witnesses reside in States or are absent.

COLLECTION AND ASSIGNMENT LAWS IN NEW BRUNSWICK.

Arrest.—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretences, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property.

Assignments.—Until the passing of the Act N. B., 58 Vic., cap. 6, a debtor could make an assignment by deed to trustees for the benefit of his creditors giving preferences if he so desired. By this Act, which was passed on the 5th of March, 1895, and came into force at that date, no person being at the time in insolvent circumstances, or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment

or otherwise, and such preferences are null and void against the creditors of the party giving the same. The Act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and carefully prepared synopsis of the same may be found.

Attachments.—The property of an absconding, absent or concealed debtor upon application of a creditor for \$40, and upwards, may be attached. No other attachment laws. (See Garnishee.)

Chattel Mortgages or Bills of Sale.—They require to be filed within 30 days of the date of execution, otherwise are void as against third parties, and must be renewed every 12 months by the mortgagee filing a statement showing the amount still due for principal and interest and also of all payments made on account; and in case of failure to file such statement and affidavit within

the time aforesaid any creditor of the mortgagor may by a written notice served upon such mortgagee require him to file such statement and affidavit, and if same are not filed within thirty days after service of such notice then such mortgage shall cease to be valid as against any execution against the goods and chattels of the mortgagor issued at the suit of such creditor. They must be filed with the registrar of deeds for the county in which the maker resides, if resident within the province, and if a non-resident then in the county in which the goods may be. This does not apply to bills of sale or mortgages of vessels registered under the shipping acts, nor to bills of lading, warehouse receipts and other liens created under the Dominion Bank Act.

Commissions.—Commissions to take evidence are issued from courts of record, viz:—the supreme and county courts.

Conditional Sales of Chattels.—By the New Brunswick statutes 62 Victoria, Cap. xii, receipt notes, hire receipts, and orders for chattels given by bailees of chattels, where the condition of the bailment is such that the possession of the chattel passes without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money or some stipulated part thereof, are only valid as against subsequent purchasers or mortgagees without notice in good faith for valuable consideration in the case of manufactured goods or chattels, which at the time possession is given to the bailee have the name and address of the manufacturer, bailor or vendor of the same printed thereon or attached thereto, and no such bailment shall be valid as against such subsequent purchaser or mortgagee as aforesaid unless it is evidenced in writing signed by the bailee or his agent, and a copy of such writing filed with the registrar of deeds of the county in which the bailee or conditional purchaser resided at the time of the conditional purchase writing. The registrar files such writings upon payment of ten cents for every such filing.

Executions.—Issue immediately on signing final judgment in the supreme and county courts, and when deposited in the sheriff's office, binds the goods, chattels, lands, and premises of the debtor. A memorial of the judgment being filed in the registrar's office becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

Exemptions.—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of \$100.

Garnishee.—A judgment creditor upon a judgment obtained in the supreme or county court, when the amount remaining due exceeds \$80, may obtain an attaching order, garnisheeing debts or sums due and owing to the judgment debtor. Wages due to the judgment debtor for his personal labor or services to the extent of \$20, exempt from garnishment.

Interest.—If no rate be mentioned six per cent. can be collected, although any rate agreed upon between the parties is legal. Interest cannot be charged upon an open account, unless by agreement to that effect. Bills and notes carry interest after their maturity; judgments also carry interest at the rate of six per cent.

Judgments.—Judgments are obtained in county courts, if no defence, in thirty days, and in Supreme court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts

only can be made liens on land. Judgments are good for twenty years. In all cases where the defendant resides within the jurisdiction of the court and the action is upon a bill of exchange, promissory note or cheque, or on a bond or contract under seal for payment of a liquidated amount of money, the plaintiff may issue a writ of summons with a special endorsement of the particulars of his claim thereon, and may sign final judgment and issue execution thereon if the defendant does not appear within twenty days after service upon him. If the defendant appears to a writ of summons so specially endorsed, the plaintiff may on an affidavit made by himself or by any other person who can swear positively to the debt or cause of action, and stating that in his belief there is no defence to the action, obtain from a judge in chambers a summons calling upon the defendant to show cause why the plaintiff should not be at liberty to sign final judgment for the amount so endorsed, together with interest, (if any) and costs. The judge may upon return of the summons, unless the defendant by affidavit or otherwise satisfies him that he has a good defence to the action on the merits, or discloses such facts as may be deemed sufficient to entitle him to defend the action, make an order empowering the plaintiff to sign judgment forthwith.

Jurisdiction of Courts.—Magistrates \$20, in tort \$8; parish courts \$80 in debt, \$32 in tort; county courts \$20 to \$400 in debt, \$200 in tort; supreme court \$400 and upwards.

Legal Holidays.—Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday (May 24), Dominion Day (July 1), Christmas Day, and any day appointed by proclamation for a public holiday or general thanksgiving. If any of these days falls on a Sunday then the next following day is held. Bills of exchange and promissory notes falling due on any of these days are legally due on the next following day, not being a holiday.

Limitations.—Notes and accounts are barred by statute in six years.

Married Women.—Are competent to make binding contracts on themselves or their property. By "The Married Women's Property Act" acts of the New Brunswick General Assembly, 1895, Chapter xxiv., which act came into force on the first day of January, A. D., 1896, a married woman is capable of acquiring, holding, and disposing by will or otherwise of any real or personal property as her separate property in the same manner as if she were a *feme sole*, without the intervention of any trustee. She is also capable of entering into and rendering herself liable in respect of and to the extent of her separate property on any contract, and of suing and being sued in all respects as if she were a *feme sole*, and her husband need not be joined with her as plaintiff or defendant or be made a party to any action or other legal proceeding brought by or taken against her; and any damages or costs recovered by her in any such action or proceeding, shall be her separate property, and any damages or costs recovered against her in any such action or proceeding, shall be payable out of her separate property and not otherwise. Every contract entered into by a married woman, otherwise than as agent, is deemed to be a contract entered into by her in respect to and to bind her separate property, whether she is or is not in fact possessor of or entitled to any separate property at the time when she enters into such contract, and such contract binds all the separate property which she may have at that time or thereafter be possessed of or entitled to. It is, however, expressly provided that nothing contained in the act shall

prejudice the husband's tenancy or right to tenancy by the curtesy in any real estate of the wife.

Mechanics' Liens.—Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials upon the building, erection or mine and the lands occupied thereby or connected therewith. The claim of lien must be registered in the office of the registrar of deeds, and where a lien is for wages it may be registered at any time within thirty days after the last day's labor for which the wages are payable.

Partnerships.—All persons carrying on business as general partners in the Province are required to file in the office of the registrar of deeds for the county in which the co-partnership business is carried on a certificate containing the name or firm of the co-partnership, and the names and respective places of residence of the different partners, and in case of neglect or refusal to do so may be made to forfeit or pay to the county treasurer the sum of sixty dollars, and also the further sum of ten dollars per day for each and every day's neglect or refusal after notice from any creditor or creditors of the firm.—Con. Stat. N. B., cap. 97.

Limited Partnerships.—Limited partnerships for the transaction of all business may be formed by two or more persons, consisting of one or more general partners and one or

more special partners. The special partner contribute to the common stock a specific sum in actual cash payments as capital, and are liable for any debts of the partnership only to the extent of such contributions. A certificate containing the name or firm of the partnership, and the names and respective places of residence of the general and special partners, with particulars of capital contributed, etc., must be filed in the office of the registrar of deeds in the county where the partnership business is principally carried on, and publication must be made in some public newspaper, or in the *Royal Gazette*, for three months immediately following such registry. If such publication be not so made, the partnership shall be deemed general. The business of the partnership must be conducted by the general partners under such firm name as they shall adopt, and if the name of any special partner be used as such firm name, or part of the same, with his consent and privity, and without the addition thereto of the words "special partner," he shall be deemed and treated as a general partner. In case of the insolvency or bankruptcy of the partnership no special partner is allowed to claim as a creditor until the claims of all the other creditors of the partnership have been satisfied.—Stat. N. B., 52 Vic., cap. 4.

Verification of Accounts.—Claims against estate of deceased person must be attested to; against insolvent estate must be verified by statutory declaration.

COLLECTION AND ASSIGNMENT LAWS IN NOVA SCOTIA.

Affidavits—For use in the respective courts may be sworn before the justice entitled to preside therein respectively, and before commissioners and by justices of the peace, etc., in other cases specially provided for by statute. Commissioners residing without the Province for taking affidavits for use within the Province are appointed in all chief commercial centres.

Arrest for Debt—Under execution on judgments was abolished by the Acts of Nova Scotia, 1894, in the Supreme, County, Probate, City, Civil, Stipendiary Magistrates, Justice, or Justices' Courts of the Province, but provision was thereby made for the examination of debtors against whom execution had issued, by commissioners who have power to commit a debtor to prison for a term not exceeding 12 months in case of fraudulent contraction of debt, or fraudulent disposition of property or wilful and malicious, tort or breach of contract. Capias can issue in the first instance for the arrest of persons about to leave the jurisdiction, and also in the first instance in the Supreme Court in amounts of \$20 and upwards, in the County Court in debt of \$20 to \$400 and in damages up to \$400, and in Magistrates' courts from \$4 to \$80.

Assignments—Until the passing of the Act, N. S., 61 Vic., Chap. 11, R. S., 1900, Chap. 145, a debtor could make an assignment by deed to trustees for the benefit of his creditors, giving preferences if he so desired. By this Act, which came into effect July 1st, 1898, no person being at the time in insolvent circumstances, or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and careful synopsis of the same may be found.

Attachments—Attachments are allowable only (1) in suits against absent or absconding debtors, (2) in suits against foreign companies doing business within the Province.

Bills of Sale or Chattel Mortgages—Are governed by the provisions of Chap. 142 of the Revised Statutes 1900, and must be filed to make them operative against third parties, in the office of the registrar of deeds for the registration district in which the grantor if a resident of Nova Scotia resides at the time of the execution thereof, or if he is not a resident of Nova Scotia then in the Registry of Deeds for the district where the goods are deposited, and must be accompanied by an affidavit of *bona fides*, and that the matters in respect of which the bill of sale is given are fully set out therein, etc. The same applies also to chattel mortgages and bills of sale to cover future acquired property.

Claims Against Estates of Deceased Persons—Should be proved by affidavit which may be sworn before a (justice of the peace), and presented within one year after

the advertisement calling therefor is published in the Royal Gazette Newspaper, and a copy thereof should be filed with the registrar of probate by which filing the operation of the Statute of Limitation is arrested.

Commissioners to take Testimony—Orders to take evidence by commission may be obtained from any of our courts, except of those of justices of the peace and stipendiary magistrates.

Contracts of Married Women—Married women are liable to the extent of their separate estate for all contracts. They are liable for antenuptial debts to the extent of their estate. Unless a married woman before engaging in trade files her husband's consent under the provisions of Section 18 of Chap. 112, R. S. 1900, all her property employed in such trade may be taken in execution against her husband.

Deeds and Mortgages—When executed in the Province must be witnessed by one witness at least, who, before the instrument can be recorded, must make oath that the grantor signed the same in his presence. This oath can be administered by a justice of the peace, a notary public, the registrar of deeds for the district where the land lies, a barrister of the Supreme Court, or a judge thereof. The grantor can acknowledge the signing thereof before any of the above-named persons. Deeds and mortgages may be proved out of the Province, as well in foreign countries as in the British Dominions, by the oath of a subscribing witness, to be administered by commissioner appointed to take affidavits out of the Province, by a judge of the court of record, a mayor or recorder of any city, or a notary public, who shall certify to the attestation. If the proof is to be made in a foreign country, any public minister, ambassador, consul or vice-consul from the Court of Great Britain may administer such oath. To make deeds, mortgages, grants, attachments or judgments effective against lands they must be recorded in the registry of deeds for the district wherein the lands lie, or they will be void against purchasers for value, who should first record their claim under any such instruments. Deeds and mortgages of married women must comply with the provisions of Chap. 113 of the Revised Statutes of Nova Scotia, 1900.

Execution—Execution can issue immediately after judgment, unless expressly otherwise ordered by the court or judge. Execution can only be stayed by order of the court upon grounds satisfactory to the court. Writ of execution is good in Supreme and County Courts for one year if not carried out, and it may be renewed at expiration of the year, or a new execution issued.

Exemptions—The necessary wearing apparel, beds, bedding and bedsteads of debtor and his family, stove and pipe therefor, crane and appendages, pair andirons, set cooking utensils, pair tongs, six knives, six forks, six plates, six saucers, one shovel, one table, six chairs, one milk jug, one tea pot, six spoons, one spinning wheel, one weaving loom, if in ordinary domestic use ten volumes of religious books, one water bucket, axe, saw, such

fishing nets as are in common use, not exceeding in value \$20, all necessary fuel, meat, fish, flour, and vegetables for family use, enough for thirty days consumption and not exceeding in value \$40, cow, two sheep, and hay and food therefor for thirty days, tools and implements of or chattels ordinarily used in the debtor's occupation to the value of \$80. No real estate.

Holidays.—In all matters relating to bills of exchange the following are legal holidays: Sundays, New Year's Day, Good Friday, Easter Monday, Christmas Day and Labor Day; also any day appointed a public holiday by the Governor, or by a statute. When the last day of grace falls on a holiday, the next day shall be the last day of grace. The same law applies to presentation of bills of exchange and promissory notes.

Interest.—Interest cannot be charged on open accounts, except by arrangement, or an established course of dealing in which it has been paid or acknowledged by debtor.

Judgments.—Judgments may be obtained during the vacation of court when suits undefended, as well as at other times. They can be obtained in ten days after service when the defendant resides in any part of Nova Scotia. When the defendant resides out of the Province judgment may be entered on the expiration of the time allowed defendant to appear, which is limited by the court. Judgments are good for twenty years from their date.

Jurisdiction of Courts.—Supreme Court has jurisdiction downwards to \$20, in all matters of contract. County Court has jurisdiction in all matters of contract and tort where the amount claimed is not less than \$20 nor more than \$400 in contracts and \$400 in tort. Justices courts have jurisdiction in all matters *ex contractu* up to \$80.

Limitation of Actions.—Actions for trespass in assault, battery, wounding or imprisonment, and all actions of slander or libel, must be brought within one year. Actions in trespass to lands, assumpsit, detinue, trover, replevin, debt founded on any contract, express or implied without specialty, for rent account and on the case, within six years. Actions to enforce judgments or lien, mortgages chargeable on any land, or rent, or any legacy, and actions on any deed, covenant or instrument under seal or to re-

cover land, shall be brought within 20 years. Acknowledgement in writing or part payment will extend the period of limitation.

Mechanic's Lien.—Mechanics unless they sign an express agreement to the contrary may have a lien for work and materials furnished upon the estate of the person for whom it is done. If the lien is claimed by a sub-contractor, the amount claimed in respect to the lien is limited to the amount payable to the contractor. In cases where the estate charged by the lien is a leasehold the fee simple may also be charged with consent of the owner of the fee simple. Unregistered liens cease after thirty days from the furnishing of the goods or labor unless proceedings are instituted to realize claim. Registered liens cease after ninety days from date of goods or labor last furnished, unless proceedings are taken. Claims may be sued for in Supreme and County Courts. Proceedings are begun by filing a statement of claim verified by affidavit in the office of prothonotary or clerk and writ of summons. In default of payment of amount sued for property may be sold. The lien holder's right of lien passes to the legal representative of the lien holder.

Verification of Contracts.—This is unnecessary.

Wills.—Cannot be legally made by persons under 21 years of age. A married woman can make a will without her husband's consent. All wills must be in writing and signed by the testator, or by some one duly deputed in his presence to make the signature at the foot of will. The due execution thereof must be acknowledged in the presence of two or more witnesses, who, in the presence of testator and of each other, subscribe the instrument as witnesses. Marriage revokes a will, except when made by virtue of a power of appointment, but a change of residence does not. A will only speaks from the death of the testator. Estates are liable to succession duties, which are changed from time to time by the Legislature.

COMMERCIAL TRAVELERS' LICENSE LAWS.

In Halifax and several towns of the Province there is a law requiring licenses, but it is never enforced now.

COLLECTION AND ASSIGNMENT LAWS IN NEWFOUNDLAND.

Affidavits.—In causes or matters depending in the Supreme Court affidavits may be sworn in any part of His Majesty's dominions, before any judge, court, notary public, or other person lawfully authorized to administer oaths, and in foreign parts before any British consul or vice-consul.

Arrest.—In any action where the sum of \$50 or upwards is involved, a judge may order a warrant for the arrest of the debtor, at any time after writ issued and before judgment, upon affidavit of plaintiff or his agent showing the nature of the claim and such facts as satisfy the judge that there is probable cause for believing debtor has made or is about to make some disposition of his property, or is about to quit the colony with intent to defraud his creditors generally or plaintiff in particular, or that his absence will materially prejudice the prosecution of the action, or that he is possessed of means of payment which he withholds from his creditors. Detaining creditor must pay a certain amount per diem to sheriff for maintenance of debtor whilst under arrest.

Assignments.—Assignments and payments made or given by any insolvent within two months prior to his declared insolvency, and with a view to give an undue preference to any creditor, are null and void in case the person taking or recovering the same or for whose benefit the same was taken or received had notice or was aware of the insolvency. Voluntary assignments may be made for the benefit of creditors, but there is no law to compel same, the remedy being by petition in insolvency, upon which a trustee will be appointed by the court.

Attachments.—At any time after the issue of a writ of summons a warrant of attachment of the property debts and effects of defendant may be issued by plaintiff, upon the filing of a sufficient affidavit made by plaintiff or some person on his behalf, showing defendant to be justly and truly indebted to plaintiff in a liquidated amount of \$20 or upwards in a cause of action to be therein set forth. When debt or damages are unliquidated, the court or a judge may, upon a sufficient affidavit in that behalf, stating the nature of the claim and particulars of the damage actually sustained, and showing that defendant is about to make some disposition of his property, or is about to sell or dispose of the subject matter of the action or remove same beyond the jurisdiction, order a warrant of attachment to issue.

Deeds.—All deeds affecting lands in the Colony should be registered in the registry of deeds. Such registration is not essential to the validity of deeds, but unless so registered they are void against any subsequent purchaser or mortgagee for value, who shall first register, or against any trustee in insolvency, or trustee for benefit of creditors, or against subsequent attachments, either on mesne or final process. For registration deeds executed within the Colony are proved by the affidavit of a subscribing witness or any person executing the same, or upon the personal acknowledgment of a party from

whom an interest passes, to be made before the registrar, deputy-registrar, a judge of the Supreme Court, a commissioner of affidavits, or a justice. Deeds executed out of the Colony may, if the party or witnesses be in the Colony at the time of proof, be proved in the same manner as deeds executed within the colony. And if such be not the case, they may in manner aforesaid be proved in Great Britain, Ireland or the Channel Islands, or in any Colony, Island or Plantation, or place under the dominion of His Majesty in foreign parts before any commissioner of the Supreme Court of Newfoundland; before a judge of a court of record under the seal of such court; before the mayor or chief magistrate of any city or town, under seal of such city or town; or before a notary public under his official seal. And in foreign parts outside of His Majesty's dominions, before any commissioner of the Supreme Court; before the mayor or chief magistrate of any city or town, under the seal of such city or town; before a notary public; or before any one of His Majesty's consuls or vice-consuls. No proof on certificate of such signature or seal is necessary.

Exemptions.—From attachment, execution, distress for rent and from operation of insolvency laws: working tools and implements of trade, fishing skiff or punt, necessary cooking apparatus, bedding and wearing apparel of debtor and his family.

Executions.—Judgment may be enforced by writ of *fiery facias*, under which warrants may be placed in the hands of any party having the custody or control of moneys, goods, debts or effects of the judgment debtor. Goods, debts or effects of any such debtor, attached under warrant as above, must be paid into court to abide the order judgment or decree thereof, and for the purpose of ascertaining such amount, the court or judge may on application of either party to the suit, summon such third party or his agent before the court or judge, to be examined on oath, or cause such third party to be examined on oath under rule, order or commission, and thereupon make order for the payment into court of such goods, debts or effects. Writs of execution remain in force for one year from issue, but may be renewed before expiration for another year, and so on from time to time during the continuance of renewed writ.

Interest.—Interest at the rate of 6 per cent. may be allowed by the jury on debts or sums certain due by virtue of a written instrument at a certain time, or if payable otherwise, then from the time when demand of payment shall have been made in writing, so as such demand shall give notice to the debtor that interest will be claimed from the date of such demand until the time of payment.

Jurisdiction of Courts.—1. Courts of General and Quarter Sessions are held by Stipendiary Magistrates, and may hear and determine in a summary way all civil actions for the recovery of debt or damages to the amount of \$25.00, save actions involving

title to any lands or tenements, and except actions for libel or slander, replevin malicious prosecution, and actions against any justice of the peace or other public officer for acts done in the execution of his duty, and may hear and determine certain disputes arising in connection with the fishery to any amount.

2. District Courts.—There are two district courts, one of which sits at St. John's, known as the Central District Court; the other sits at Harbor Grace and adjacent towns, and is known as the Harbor Grace District Court. They have jurisdiction in same matters as Session Courts, but to the amount of \$50.00. They also hear and determine actions for wrongful detention of goods and chattels, in which the specific return of the same are sought where the value does not exceed \$200.00. Appeal lies to the Supreme Court in judgments involving amounts over \$20.00.

3. Stipendiary Magistrates on that part of the Coast of Newfoundland from Cape Bay via Cape Norman to Cape John have the same jurisdiction as Judges of the Central District Court, and in addition thereto have jurisdiction *ex contractu* to the amount of \$200.00. Appeal is allowed to the Supreme Court in judgments exceeding \$40.00.

4. Supreme Court has jurisdiction over all causes and matters to any amount. Appeal lies to the King in Council where amounts over \$2,000.00 are involved.

Judgment—May be had in four days if defendant resident in St. John's; if resident elsewhere in the colony in eight days. When the defendant is resident outside the colony, appearance must be entered within time

allowed by court, failing which judgment may be entered. Execution on judgment may issue at any time within six years, after which time an order for leave is necessary. Judgment carries interest at five per cent.

Married Woman's Property Act.—Under this married women may trade on their own account without husband's consent, and are liable to the insolvency laws. They may acquire, hold and dispose of property without intervention of trustees. Generally our law, statutory and otherwise, is the same on this subject as that of England.

Mechanics' Lien.—Unless he signs an express agreement to the contrary every mechanic doing work or furnishing material for the construction of any building, etc., may have a lien upon the building and lands occupied therewith. In cases of leasehold the freehold may also be charged by consent of the owner thereof. The amount chargeable by sub-contractor is limited to the amount payable to the contractor or sub-contractor as the case may be. The owner may pay parties having an unpaid account or demand against the lien holder in respect of work done or materials furnished for the building, upon receiving notice within thirty days of same, and such payment is deemed a satisfaction *pro tanto* of such lien. The lien must be registered during the progress of the work, or within thirty days of completion, and proceedings to enforce it must be taken within ninety days from completion.

Commercial Travelers are not required to take out any license in this Colony.

COLLECTION AND ASSIGNMENT LAWS IN PRINCE EDWARD ISLAND.

Assignments.—The power of giving preferential assignments by creditors is checked to a considerable extent by Act of the Legislature passed 1898, by which confession of judgments, conveyances, assignments and delivery of chattels and securities, made by any person at the time in insolvent circumstances, or unable to pay his debts, or knowing himself to be on eve of insolvency to any creditor voluntarily or by collusion with intent to delay or prejudice creditors, or to give one or more creditors a preference, are declared void as against the general creditors. If a transfer to or transaction with a creditor has the effect of giving that creditor a preference, it shall with respect to proceedings taken within 60 days thereafter to impeach the same be presumed to be fraudulent whether made voluntarily or under pressure. The Act makes provision for the appointment of official assignees to whom assignments are to be made for the distribution of assets rateably. Wages of employees not exceeding

three months, and amounts due to farmers for farm produce sold to the assignor during three months immediately preceding the assignment, are to be paid preferentially by the assignee. Assignments to any other than official assignees are forbidden, unless the consent of the majority of creditors having \$100 claims is first obtained. If assignment absolute, possession of goods must be taken by grantee. No assignment under this act to be considered invalid unless proceedings to impeach same are taken within a year after registration. If assignment is by way of chattel mortgage, same must be registered in county in which grantor resides, and an affidavit by the grantee or his agent is required, stating that security was given *bona fide* for consideration stated and not to defeat other creditors. An execution creditor of mortgagor may pay mortgagee amount of his claim and sell goods under execution.

Attachments.—Debtors' lands or goods cannot be attached until after judgment unless

debtor has absconded. In case of absent or absconding debtors property may be attached in supreme or county court as case may be. A bailable writ of *capias* may be issued out of supreme court against a debtor about to abscond, but a judge's order for same must be obtained upon an affidavit swearing to debt and setting out such facts and circumstances as will satisfy judge that debtor is about to leave the Province for the purpose of defrauding creditor. *Capias* may be issued from county court for a debtor about to abscond for any sum over \$4, and up to \$150, upon affidavit of the debt and that plaintiff believes defendant is about to leave Province to evade payment of his debts.

Exemptions.—Necessary wearing apparel and bedding of a debtor and his family, and the tools or instruments of his trade or calling (£5 old currency), \$16.20 in money, and his last cow, are exempt from execution out of supreme court. Wearing apparel and bedding of debtor and his family, the tools and implements of his trade, and one cooking stove and one cow, in all amounting in value to \$50, are exempt from process out of county court.

Garnishee.—A creditor may garnishee

money owing to a debtor in the hands of a third party by process either in supreme or county courts.

Judgments.—Judgments in the supreme court bind real estate of defendants from date of entry; lands cannot be sold under county court judgments. Action may be brought in supreme court for any sum not less than \$32. County courts have jurisdiction up to \$150.

Licenses.—Commercial travelers are required to take out a license annually, paying \$20 for it. Travelers for liquor houses must pay an annual license fee of \$200.

Mechanics' Liens.—Every mechanic, machinist, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, furnishing or placing machinery of any kind in, upon, or in connection with any building or erection, may have a lien for the price of such work, machinery or materials, upon such building or erection and the lands occupied thereby, by filing a claim in office of registrar of deeds, verified by oath, thirty days before completion of work.

COLLECTION AND ASSIGNMENT LAWS IN MANITOBA.

Arrest and Imprisonment for Debt.—Is not now allowed in Manitoba.

Assignments.—Any person being at the time insolvent, or on the eve of insolvency, cannot make any gift, assignment or transfer of any real or personal property to any of his creditors with intent to defraud or delay the others, and any chattel mortgage given to a creditor may be attacked within sixty days of filing, and, if attacked, will be held *prima facie* to be invalid as a preference. Assignments can be made for the general benefit of creditors.

Attachments.—A judge's order for attachment is obtainable: (1) In suits against a resident debtor when the debtor is about to abscond or conceal himself; (2) in suits against non-resident debtor when the cause of the action arises within the Province of Manitoba; (3) in any case when the debtor has or is about to fraudulently remove, transfer or secrete his property in this Province. Orders for attachment bind all of the debtor's personal property from the date of delivery to the sheriff of the order for attachment, and all real property owned by the debtor is bound from the date of the registration of a certificate of the order for attachment.

Bills of Exchange and Promissory Notes.—These are governed by Dominion statutes as to days of grace, protest and notice. Notes do not bear interest unless expressed on the face until after maturity from which period however the legal rate four per cent. can be recovered.

Chattel Mortgages and Bills of Sale of Chattels.—When there is not an immediate and continued change of possession, chattel mortgages and bills of sale must be verified by an affidavit of execution and of *bona fides*, and must be filed within twenty days from date of execution in the office of the clerk of the county court district where the goods are situated, and the mortgage operates only from the date of filing. Chattel mortgages must fall due within two years from their date, and must be refiled within thirty days before the expiration of two years. If default be made in payment when due, chattel mortgages are collected by a summary seizure and sale of the mortgaged goods. Growing crops cannot be mortgaged except for the price of seed grain.

Commissions.—Commissions can issue from all courts of record including county courts.

Contracts of Married Women.—Married women may contract with respect to their separate property and are liable on contracts to the same extent of *feme sole*. They may make notes and are liable thereon.

Executions.—In the superior courts, executions against goods are directed to the sheriff and may issue immediately upon obtaining judgment. There is no priority between execution creditors, and the sheriff distributes rateably all money realized from an execution debtor. An execution is good for two years, and may be kept in force by renewal every two years. Upon written request the sheriff is required to make a return at any time. Lands are not liable to execu-

tion, but certificates of judgments may be registered and proceedings taken thereon to sell the debtor's lands. In county courts execution issues in six days after judgment and is good for one year, but may be renewed from year to year.

Exemptions.—(1) Household goods to the value of \$500; (2) necessary and ordinary clothing of the debtor and his family; (3) twelve volumes of books and all the books of a professional man; (4) necessary food for eleven months; (5) three oxen, horses or mules when used by the debtor in earning his living, six cows, ten sheep, ten pigs, fifty fowls, and food for the same for eleven months; (6) necessary seed, etc., for eighty acres; (7) tools, agricultural implements and necessities used by the debtor in his trade, occupation or profession, to the value of \$500; (8) farm homestead to the extent of 160 acres being the actual residence of the debtor, the buildings and improvements thereon, or the town residence of the debtor to the value of \$1,500, provided that no real or personal property shall be exempt from seizure or sale under execution for the purchase price of the same. A debtor cannot waive his exemptions from seizure or sale under execution and any attempt to do so is liable to vitiate the whole agreement.

Foreign Corporations.—To entitle foreign corporations to a legal status in this Province a license must be taken out under the provincial statutes. To obtain such a license a corporation must file with the Provincial Secretary a certified copy of their charter with evidence of its present existence and the legal powers of the company, and a copy of the last auditor's report; a power of attorney to the company's agent in Manitoba signed by the president and secretary, and sealed, must also be filed. This power of attorney must authorize the agent to accept service of all legal proceedings instituted in Manitoba.

Interest.—May be recovered on open accounts, from and after demand of payment and notice that interest will be charged if the account be not paid.

Judgments.—In superior courts where no defence is entered judgment and execution can be obtained in sixteen (16) days from service of the statement of claim on a resident debtor. In contested cases from one to three months is required to obtain judgment. In county courts judgment is obtained in ten days by default or one month when defended. Judgments in both courts are good for ten years.

Jurisdiction of Courts.—The Court of Queen's Bench for Manitoba is the superior court of record. The jurisdiction is unlimited. The county courts are inferior courts of record and are presided over by different judges. There are thirty-five county court districts in the Province. The jurisdiction is limited to \$400. Magistrates and justices of the peace courts are not courts of records and are for the administration of petty justice summarily. They derive their authority from specific statutes and the jurisdiction varies in each statute.

Legal Holidays.—These are Sundays; Christmas Day; New Year's Day; Good Friday; Empire Day; Dominion Day; King's Birth Day; Thanksgiving Day; Labor Day and Arbor Day. Notes falling due on these days are legally due the next day not a holiday.

Lien Notes.—Vendors, by agreement, may retain the right to possession and the title to goods bargained for, provided the manufactured goods have the manufacturer's name or some other distinguishing mark attached, and on default in payment the vendor may summarily retake the article bargained for without legal process. These agreements must be in writing but need not be registered.

Mechanics' Liens.—Unless he shall have agreed to the contrary, every mechanic, machinist, builder, miner, laborer or other person doing work upon or furnishing material to be used in the construction or repair of any building, or erection or erecting, furnishing or placing machinery of any kind in or upon or in connection with any public building, erection or mine, shall by virtue of being so employed or furnishing have a lien or charge for the price of such work, machinery or material upon such building, erection or mine, and the land occupied thereby or connected therewith for any sum exceeding \$20, and shall only attach in the interest of the owner, at whose request, expressed or implied, the work was done or materials furnished; a statement of the claim verified by affidavit must be registered in the registry office within thirty days after the completion of the work for which the same is made and must contain: (1) The name and residence of the claimant and of the reputed owner of the property, and also the name of the person for whom the work was done or material supplied; (2) particulars of the work done or material supplied; (3) the sum claimed; (4) the description of the property charged. Proceedings to realize on this registration lien must be commenced in court within ninety days after completion of the work or delivery of materials and a certificate of such proceedings must be registered. On taking these proceedings the court adopts a summary mode of realizing on the claimant's lien.

Verification of Accounts.—Verification is of no use, and accounts and claims must be proved by admission of the defendant or by evidence of witnesses examined in court, or their evidence can be taken by commission, if non-resident, or sick, or absent. Promissory notes and acceptances operate as admissions.

There is no Provincial law of Manitoba requesting commercial travellers to take out licenses.

NORTHWEST TERRITORIES.

Assignments.—No trader can make a voluntary assignment preferring certain creditors. Any such assignment can be set aside as fraudulent. Any person may make an assignment for the purpose of distributing his estate rateably among all his creditors. All assignments for the general benefit of creditors must be made to some person residing within the judicial district in which the assignor resides or carries on business.

Attachments.—All the personal property and effects of a debtor liable to seizure under execution may be attached: (a) When the debtor has absconded from the Territories leaving personal property therein liable to seizure under execution for debt, or (b) has attempted to remove such personal property out of the Territories, or to sell or dispose of

the same with intent to defraud his creditors generally or the plaintiff in particular, or (c) keeps concealed to avoid service of process. The writ issues, upon affidavit of the creditor, his servant, or agent, setting out grounds, supported by affidavit of one other credible person.

Bills of Exchange and Promissory Notes.—These are governed by laws of the Dominion as to days of grace, protest, and notice. Notes do not bear interest until after maturity, unless otherwise expressed on face. Interest allowed at four per cent. after maturity unless otherwise expressed.

Chattel Mortgages.—Must be filed within 30 days from date of execution, and are valid for two years from filing, but must be refiled within 30 days of the expiration of the first two years, and after that they must be refiled every year. The office for filing chattel mortgages is the clerk's office of the registration district in which the goods are situated.

Commissions.—May issue from the Supreme Court of the Northwest Territories in any suit pending therein, where witness is outside the Territories. Costs of commission will be allowed to successful party.

Executions.—Can issue on all judgments at expiration of 15 days from date of judgment, unless otherwise ordered by judge, who can direct execution to issue at anytime. Executions bind the goods of debtor from time of delivery to sheriff, and his lands from registration. Lands cannot be sold under execution against lands, until expiration of one year from time of delivery to sheriff. Executions expire at one year from date of issue, unless renewed before that time. No execution against lands will be issued, unless amount of judgment debt and costs exceeds \$50.

Exemptions.—The following are the exemptions from seizure under all writs of execution issued by any court in the Territories (1) The necessary and ordinary clothing of the defendant and his family; (2) furniture and household furnishing belonging to defendant and his family to the value of \$500; (3) the necessary food for the defendant's family during six months, which may include grain, flour, vegetables, and meat prepared for use or on foot; (4) two cows, two oxen and one horse, or three horses or mules, six sheep and two pigs, besides the animals chosen for food purposes, and food for same for winter months; (5) the harness for three animals, one wagon or two carts, one mower or cradle, and scythe, one breaking plough, one cross plough, one set harrows, one horse rake, one sewing machine, and one reaper or binder; (6) the books of a professional man; (7) the tools and necessities used by the defendant in the practice of his trade or profession; (8) seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre and fourteen bushels potatoes; (9) the homestead of the defendant, provided it does not exceed 160 acres—if more, the surplus may be sold subject to any incumbrance thereon; (10) the house and building occupied by the defendant, also the lot or lots on which the same are situate according to the registered plan, of the same, to the extent of \$1,500; the defendant is entitled to his choice from a greater number of articles of same class.

Imprisonment for Debt.—Is not allowed in the Territories, nor is there any provision for the arrest of a debtor who is about to abscond from the Territories, or to depart with intention of defrauding creditors.

Interest.—May be recovered on open accounts from and after demand of payment.

and notice that interest will be charged if account not paid. Legal rate of interest is six per cent.

Judgments.—In all cases writ of summons may be issued, returnable ten days after service where defendant resides in same district, and twenty days where he resides in another district. If defendant does not before return day file with the clerk an appearance, and within six days thereafter file a defence, the plaintiff may sign judgment after return day. Judgments are good for ten years from date.

Jurisdiction of Court.—The Supreme

Court of the Northwest Territories is the only Civil Court in the Territories and has jurisdiction in all civil cases. The judicial districts of the courts are: The Northwestern Territories, Western Assiniboia, Eastern Assiniboia, Southern Alberta, Northern Alberta, Saskatchewan.

Verification of Accounts.—All accounts and claims must be proved by oral evidence (by commission if necessary), if the defendant disputes the claim. In other cases judgment is obtained by default, or affidavit, if defence is only for time.

COLLECTION AND ASSIGNMENT LAWS IN BRITISH COLUMBIA.

Actions—May be brought by or against a firm in the firm name. The assignee of a debt or chose in action may sue in his own name. The right of action in such case (except negotiable notes) is subject to equities existing between the debtor and assignor. Actions in the Supreme Court must be commenced by writ of summons, which may be specially indorsed for money demand. The plaintiff may sign judgment eight days after service of writ, in default of appearance. In cases of writs of summons, specially indorsed for a money demand, judgment will be ordered by a judge in chambers, when appearance is

filed for purposes of delay only when the plaintiff verifies his claim by affidavit, and the defendant does not satisfy the judge by affidavit that he has a defence which should be tried in the ordinary way. Actions in the County Court are commenced by a summons which must be served eight clear days before the return day. County courts sit every month and have jurisdiction up to \$1,000 in all personal actions and on any action where debt or demand claimed consists of a balance not exceeding one thousand dollars, after an admitted set-off of any debt or demand claimed or recoverable

by the defendant from the plaintiff. It has also an equitable jurisdiction up to \$2,500. Small Debts' Court has jurisdiction in matters of simple contract up to \$100.

Appeals.—May be taken to the Full Court within three months after judgment, notice of such appeal to be served within three months after judgment, and also to be served not less than fourteen clear days before the first day appointed for the sittings of the Full Court at which the appeal is, according to the terms of such notice, to be entered for hearing.

Arrest.—After an action has been commenced in the Supreme or County Courts for recovery of a debt, money demand, or for damages, and where the defendant is not a person by law exempt from arrest, the defendant may be arrested after affidavit of plaintiff or some other person showing that such plaintiff has a cause of action against the defendant, to the amount of \$100 and upwards, or has sustained damage to that amount, and that there is probable cause for believing that the defendant is about to quit British Columbia. A judge of a Supreme County or Small Debts' Court may, under a judgment summons, commit the defendant in default of payment if he has transferred his property fraudulently or does not satisfactorily account for same, or may order him to pay debt by instalments, if, on examination, he thinks he can do so, and commit for default of payment.

Assignments.—There are no insolvency or bankruptcy laws in force. Assignments of debts must be in writing and express notice in writing given to the debtor. Preferential assignments or cognovits, giving one creditor priority, are void as against other creditors. A debtor may make a general assignment to a trustee or trustees for the benefit of creditors, rateably and proportionately. Such deed of assignment must be registered forthwith in each of the land registry offices in the Province, but shall not take effect until recorded in the office for the district where debtor resides or has his principal place of business. Trustees shall publish notice of deed within fourteen days from execution by debtor.

Attachments.—No original attachment, except where debtor has absconded leaving property.

Chattel Mortgages.—Must be registered within twenty-one days after the making or giving thereof in the County Court Registry office for the city, county, or place within which the chattels referred to and dealt with in and by such bill of sale are situate. If not so registered it is null and void as against creditors of mortgagor. Chattel mortgages must be renewed every five (5) years.

Executions.—May issue immediately after judgment in the Supreme Court, or in the

County Court, unless otherwise ordered. Lands could, previous to Judgment Act 1898, be sold under execution against lands; now can only be sold by order of the court.

Exemptions.—Personal property of debtor to the value of \$500 is exempt from execution. No goods or personalty, however, is exempt from seizure in respect to debts contracted in regard to the identical goods. The stock-in-trade of a merchant is not exempt from seizure although under \$500, and may all be sold to satisfy a judgment. Registered homesteads are exempt from execution to the value of \$2,500.

Garnishee.—A creditor may garnishee money owing to a debtor by a third party, both before and after judgment in the County Court, Supreme Court or Small Debts Court.

Interest.—Where not otherwise agreed upon, and where due by law, is five per cent. No usury law.

Judgments.—If registered, are a lien upon all lands, and interest in lands then or thereafter owned by the defendant. Registration must be renewed every two years.

Liens.—Unless there is an agreement to the contrary, every contractor, sub-contractor and laborer has a lien for work and labor, limited in amount to the sum actually owing to the person entitled to the lien. Lien expires thirty-one days after completion of work unless in meantime the lien shall be registered, and expires thirty days after registration of lien unless claimant institutes proceedings to realize lien. If lien is on mortgaged premises it is prior to mortgage, against increase of value of mortgaged premises by reason of such work or improvement, but not further, unless work is done at request of mortgagee in writing. Parties furnishing material have a lien for same.

Limitation of Actions.—Six years for simple contracts, and twenty years for specialties.

Married Women.—Have the same powers in respect to their separate property, or earnings, or rents, as a *feme sole*.

Partnership, General.—Registration—All general partnerships must be registered within three months next after formation of firm.

Sales, Conditional, of Chattels.—All receipt notes or hire receipts or order for chattels, when the condition of the bailment is such that the possession of chattels would pass without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money, or some stipulated part thereof, are void as against subsequent purchasers or mortgagees, unless registered in the County Court Registry where goods are situate within twenty-one days after the bailment or delivery of the goods, or the first portion thereof, to the bailee or conditional purchaser.
